

Project

Cambridge Condominium and Mall, Jl. S. Parman, Medan, Indonesia

In Medan, the third biggest city of Indonesia, the tallest building on Sumatra island has risen, 109 metres in height and consisting of 23 floors. Structurally, the complex comprises a four-storey basement, a six-storey podium and four 17-storey towers. The podium houses a luxurious shopping mall. Three of the towers are condominiums with a total of 272 apartments, the fourth houses a five-star hotel operated by Grand Swiss-Bel International Hotel.
